Please be prompt when picking up your child from school. Morning classes end at 11:30 a.m. and afternoon at 1:45 p.m. A late fee of \$1.00 per minute after 11:40 a.m. and 1:55 p.m. will be applied to your child's account.

child and be on time. A phone call is expected when you are running late. Notes are required if your child is going home with another adult outside of his/her normal routine. All children must use car/booster seat.

DRESS CODE: Your child will be most comfortable in the type of clothing that will allow him/her to move freely. Clothing that is durable and easily laundered is best as he/she will be using equipment that will require him/her to be on the floor. Socks with sneakers are required. No flip flops, slides, strapless sandals, high heels, or boots are permitted. PLEASE BE SURE TO PUT YOUR CHILD'S NAME on all coats, hats, backpacks, etc.

SNACKS: We will ask for snack donations throughout the school year. If your child has a food allergy, please note it on your emergency information card. You may be asked to send in individual snacks for your child if the allergy is severe.

BATHROOM PROCEDURES

Coalbush Christian Preschool provides a bathroom within the classroom area for students to use during class time. On the first day of school, teachers will discuss proper hygiene and the correct use of the facilities with the students. The children are encouraged to use this bathroom on a self-serve basis. However, the teachers are always available in the adjoining rooms to help and assist when needed.

Every child should have a complete change of clothes in a baggie inside their backpacks. Your child needs to be potty trained to be a student at Coalbush Christian Preschool. If your child has repeated bathroom accidents, you will be contacted and a solution to the problem will be discussed and implemented.

*The 2's Teachers will work with your child as they potty train. The child should wear Pull-Ups unless they are potty trained already. Parents will provide Pull-Ups and a change of clothes inside the child's backpack. Habitual accidents, or children showing no interest in training and/or fear, should wait to attend school until they are ready.

MEDICATION AND ILLNESS

All children need to have their medical form (pg. 10) on file in order to be at school.

Parents are asked to keep children home when fever, rash, vomiting, diarrhea, hacking cough, sore throat, chronic runny nose or conjunctivitis (pink eye) occur. If a child gets sick at school, parents are notified immediately. If a child is too sick to participate in movement and play activities while at school, the child is too sick to attend school that day. Sometimes, a doctor's written authorization is necessary when a child is ready to return to school after dealing with a contagious condition, to protect and maintain a safe environment for all students at Coalbush Christian Preschool. **A child must be symptom free for 24 hours before returning to school.**

We cannot administer prescribed medication, including EPI pens, or nonprescription medication such as cough medicine, cough drops, baby/children's aspirin, etc.

Parents are asked to notify the office (259-4136) or 252-9948 by 8:45 am if their child will not be attending school because of illness or other reasons.

SCHOOL CLOSINGS BECAUSE OF WEATHER

We will have information posted on the CCP Facebook page, as well as text through Remind 101.

WITHDRAWAL POLICY

Should circumstances force you to withdraw your child from school, please contact the Director, two weeks prior to withdrawal. Tuition is charged when the Director has not been informed that your child has left school.

PRESCHOOL DISCIPLINE POLICY
COALBUSH UNITED METHODIST CHURCH
MISHAWAKA, INDIANA

POLICY: Coalbush Christian Preschool is committed to the well-being of each and every child. In order to provide a safe, loving, and stimulating environment, we use a multistep procedure to maintain discipline within the classroom and school grounds. The policy focuses on helping each child to understand what they did that was wrong and to make "a good choice." The policy of the school incorporates the Life Skills and Life Long Guidelines.

STEP 1: The first step is to make sure that the children are aware of what is expected of them while they are attending school. The first few weeks of school, the teaching staff will review these rules with the children. Each child is shown "grace" while learning the rules.

STEP 2: The second step is a verbal warning. This warning could mean that the teacher would like the behavior to stop (example, interrupting) or would like a behavior to start (example, start doing their work). After a first verbal warning, the child has the opportunity to correct the behavior.

STEP 3: The third step is "time out." If the child does not correct the behavior, he/she will be given a time out. The time out will be in a seated area in the classroom but removed from the rest of the children. Each time out will last for one minute for every year of the child's age. For example, a 4 year old will have a 4 minute time out and a 3 year old will have a 3 minute time out. When the time out is over, the teacher will talk about the situation with the child. If the child understands the situation and is able to change the behavior, the child will be invited back into the group.

Step 4: The fourth step is isolation. If the child continues the behavior after a time out, he/she will be removed from the classroom. The child will be taken to another classroom or to the office to get away from the situation. The child will be supervised while in isolation. The child will be isolated for the time frame of their age. After the isolation period is complete, the child has an opportunity to make the right choice and be invited back to the classroom. If the child does not make the right choice, the parents will be contacted to come and pick up their child.

NOTE: An "automatic time out" without a warning is possible if a child makes a choice to deliberately do harm to another. The safety of the children is foremost and the school will not tolerate harm to another child. If harmful physical behavior is habitual, the child may be permanently removed from school.

We hope this handbook provides you with helpful information. Please feel free to contact me at Coalbush Christian Preschool (259-4136) or 252-9948 or email to psycheer@aol.com, should you have any questions or concerns. We look forward to growing in a positive relationship with you and your child, and hope to provide a stimulating and enjoyable school year experience.

Love in Christ,

Miss Lisa

WELCOME TO COALBUSH CHRISTIAN PRESCHOOL

Coalbush Christian Preschool has been a ministry of Coalbush United Methodist Church for more than 55 years. From its roots as a kindergarten program (even before the public school offered kindergarten), we have been serving families of our community for successive generations.

The roots of the Coalbush Church go back to the very earliest settlers of St. Joseph County. Having first met in 1848 in the home of Mr. and Mrs. Jacob Beiger, the congregation built its first church at the corner of Bremen Highway and Jackson Road in 1856. Since that time, we have always been here on this same corner, ministering to our community.

Even with such deep roots, fresh winds continue to blow within our midst. Our desire is to help people understand just how deeply loved they are by God, and to help them grow in their relationship with God. We are always pleased to welcome you to any of our church events. If you are seeking a church to call home, we invite you to join us for worship and Sunday School and other special events.

Our regular Sunday schedule is:

- 8:30 a.m. Worship in our sanctuary (traditional)
- 9:45 a.m. Sunday School for all ages
- 10:45 a.m. Worship in our Family Life Center (informal)
- 4:00 p.m. YC – Youth and Children’s Fellowship
(children five-years-old through 12th grade)

If we can be of any other assistance to you, please do not hesitate to contact us.

Sincerely,

Pastor Amber Karkosky-Litten
